**contact no.: 7738096268**

**Location(s) of the activity:**

Sr. No.	Location	Date	Timing	Activity
1.	Vashi Railway station	08/12/17	10:00-2:00pm	AIDS awareness survey

**Number of target audience: 300-350**

**Number of students taken part in the activity: 75**

**List of volunteers and their contact numbers:** attached with survey form.

**Description of the activity:**

Methods used for conducting the campaign: We did survey to determine the knowledge of people regarding AIDS. The survey consisted of 5 general questions in English as well as in Hindi language. 8-10 students were holding the banner and posters while others were taking surveys in group of 5 outside vashi station. We completed the whole survey in 3 hours. We also distributed information pamphlet printed in English and Hindi along with badges. Pamphlet consisted of general information i.e what is AIDS? how does it spreads ? Diagnosis and Treatment, Misconceptions regarding AIDS and HIV

**Advertisement of the activity:** Aids Banner, Posters And Badges

**Result of your activity: TOTOAL NO. OF PEOPLE SURVEYED: 340**
