

REPORT ON VAN MAHOTSAV

DATE: 1st JULY 2017

On the occasion of Van Mahotsav , 1st JULY 2017 students of Gahlot Institute Of Pharmacy along with teaching and non teaching staff celebrated the event by planting saplings at the botanical garden of their college. The tree plantation drive commenced at 10 am and all the students and teaching , non teaching staff assembled near the botanical garden to plant saplings.

The morning assembly started with the speech of honourable principal sir Dr. V. H. Bhaskar in which he threw light on importance of trees in our lives.

Each class had bought 10 saplings and around 30 saplings were planted. The saplings consisted of decorative plants , herbs and few flowering plants.

The students and the teachers also got themselves photographed and the event finally came to an end. The event was quite successful.
