

Vision - To emerge as a premier institute offering quality education in pharmaceutical sciences.

Mission- To create knowledgeable and ethical professionals capable of fulfilling the needs in health care systems.

Thursday and Friday, December 8 - 9, 2022

Free Ambulance Health Check-up service: a noble initiative - December 8-9, 2022

Our B. Pharm students volunteered in the mobile ambulance health check-up service offered by **Lion's Hospital, Koparkhairane**. This service conducted free health check-ups of the people in Ghansoli over two days and will continue to serve people in different areas in upcoming days. This noble work provided a quality healthcare service to people completely free of cost and also served to increase awareness among them related to health issues and preventive healthcare measures. **Students could gain a valuable experience to serve as pharmacist in this camp**. The event was organized in collaboration with Lion's Hospital, sector 7, Koparkhairane. The event was coordinated by **Dr. (Mrs.) Pratibha Daroi**.
